**SUPPLEMENT TO INFORMATION DISCLOSURE STATEMENT**

Dear Examiner:

Applicant submits herewith this supplement to the Information Disclosure Statement ('IDS') filed together with a Request for Continued Examination ('RCE') and its purpose is to advise the Examiner of an Office action in a related co-pending application.

The related application is Patent Application No. 09/938,387 filed August 23, 2007 (hereinafter the '387 Application). The Examiner therein issued a non-final Office action on March 14, 2007 wherein claims 2 and 14 were held to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. (A copy of said Office action is attached hereto as Exhibit A.) Claim 2 in the '387 Application is an

apparatus claim that is similar to method claim 2 of the present application, and claim 8 in the '387 Application is a receiver claim that is similar to apparatus claim 14 of the present application.

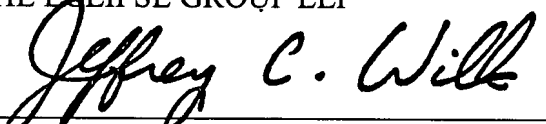

Additionally, a Notice of Allowance was issued in the '387 Application July 31, 2007, a copy of which is attached hereto as Exhibit B. Subsequently, an RCE and IDS were filed in the '387 Application on October 31, 2007.

Because Applicant has previously responded to the rejections of claims 2 and 14 herein, said non-final Office action in the '387 Application requires no further response from Applicant in this pending application and notice of this non-final Office action and Notice of Allowance is being submitted only to comply with requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98. Accordingly, Applicant respectfully submits that claims 1-3, 5-12, 14, 15, 17, and 19-22 remain in condition for allowance.

Respectfully submitted,
